

## Login Use Case

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/Milestone-2/'. The page title is 'Textbook Management System'. The main content area features a welcome message 'Welcome to TextBook Management System' centered above a login form. The form consists of two input fields labeled 'Username' and 'Password', followed by a blue 'Sign in' button. The footer of the page contains the text 'All Rights Reserved'.

## Login Validation

This screenshot shows the same login page as the previous one, but with an error message displayed above the login form: 'Username or password are invalid'. The 'Sign in' button remains visible below the input fields. The rest of the page, including the header and footer, is identical to the previous screenshot.
